

DARREN BLUE

CHIEF EXECUTIVE OFFICER, JS GLOBAL, LLC

Darren Blue is the Chief Executive Officer of JS Global, LLC, where he leads the firm's strategy, growth, and operational execution across infrastructure, real estate, and mission-critical environments serving both government and private sector clients. He brings more than 30 years of executive leadership experience spanning complex operations, large-scale portfolios, and public-private partnerships.

Prior to joining JS Global, Darren served as Group President of CBRE's Mission Critical Services (MCS), leading global operations across the Infrastructure & Energy, Government & Defense and Healthcare sectors. In this role, he oversaw the delivery of integrated real estate, facilities, and project management solutions to critical infrastructure clients worldwide.

Earlier in his career, Darren served as Regional Commissioner of the U.S. General Services Administration's Public Buildings Service for the National Capital Region, where he was responsible for approximately one-quarter of the federal government's real estate portfolio, including the White House campus and multiple Cabinet-level headquarters. He also served as Associate Executive Director for Real Property at the U.S. Department of Veterans Affairs, leading enterprise-wide real estate strategy, capital deployment, and public-private partnership initiatives.

Darren previously held senior leadership roles within the Office of the Secretary of Defense and the Executive Office of the President, where he advanced initiatives integrating private-sector capabilities into critical government infrastructure. He began his career in the U.S. Army, serving in infantry, special operations, and intelligence assignments, and continues his service in the as an Officer in the Army Reserve.

He brings to boards deep expertise in large-scale operations, government and regulatory environments, capital planning, and risk management, with a focus on driving performance and delivering critical outcomes.
